

Alkaline Cleaners

About Product

We have designed specialized heavy duty alkaline cleaners. RIO Alkaline Cleaners are non-corrosive in nature. IROX™ Alkaline Cleaners are extremely effective in removal of heavy metal deposits, oxidation deposits, carbon soils & forbidden soils. Use of IROX Alkaline Cleaners will avoid use of multiple chemicals & there is no need of mechanical operations like scrapping. IROX Alkaline Cleaners does not generate fumes, bad odor while cleaning. IROX™ Alkaline Cleaners are suitable to use by spraying, wiping, or by dipping. Our Alkaline Cleaners are free from caustic & corrosive chemicals so non harmful to metal surface.

Method of Use:

Spraying, Dipping
