

Degreaser

About Product

We have designed specialized degreasers for various industrial applications. IROX™ degreasers are very effective in removal of heavy accumulations & sticky deposits of lubricating oils, process oils & many other metal working fluids. Does not generate fumes, mist or bad odour while cleaning. IROX™ degreasers are designed to use by spraying, dipping or by wiping out. Free from corrosive chemicals & free from caustic so do not cause rusting of parts or surface. All our degreasers are free from chlorine & Sulphur so do not harmful to user's health. Use of IROX degreasers saves time & labor & money. We have specialized variants of degreasers depend upon the oils to be removed, drying time & method of use.

Method of Use:

Spraying, Dipping
