

Mold Cleaner

About Product

We have designed specialized heavy duty yet non corrosive mold cleaners. IROX™ Mold cleaners are extremely effective in removal of heavy deposits, burned deposits, & forbidden soils without heavy mechanical operations. Safe to user skin & does not generate fumes, bad odour while cleaning. IROX™ mold cleaners are suitable to use by spraying, wiping, or by dipping. Our mold cleaners are free from corrosive chemicals, caustic so non harmful to surface of any mold. We have specialized variants of mold cleaners depend upon the type of soils & deposits.

Method of Use:

Spraying, Dipping
