

# Solvent Cleaner

## About Product

We have designed specialized solvent cleaners for various applications. Our solvent cleaners are very effective in removal of heavy deposits of honing oil, neat oils, cutting oil & many other metal working fluids. Safe to user skin & does not generate fumes, bad odour while cleaning. IROX solvent cleaners are suitable to use by dipping or by wiping out. Our solvent cleaners are free from corrosive chemicals so do not cause rusting. All our solvent cleaners are free from chlorine & Sulphur so do not have bad odours neither they are harmful to user's health. We have specialized variants of solvent cleaners depend upon the oils to be removed & drying times.

## Method of Use:

Spraying, Dipping
