

Washing Chemicals

About Product

We have designed specialized heavy duty industrial washing chemicals. IROX™ Washing chemicals are extremely effective in removal of heavy oils, metal working fluids, carbon deposits & forbidden soils. By using IROX™ washing chemicals you one can avoid heavy mechanical operations of surface preparations. Does not generate fumes, bad odour while cleaning & safe to user skin. IROX™ washing chemicals are suitable to use by manual cleaning semi-automatic or fully automatic machines. Our washing chemicals are free from caustic & corrosive chemicals so non harmful to metal surface. We have specialized variants of washing chemicals depend upon the type of metal surface.
